A **FREE** legal clinic for parties who have no attorney. As a COVID work-around, instead of clinic patrons coming in-person to your local public library (*which has limited access*), the volunteer attorney will call the clinic patron's telephone directly, using the phone number provided to your library staff.

Volunteer attorneys will answer questions, help fill out forms, and explain the process and procedure for civil legal issues, including family law, civil litigation, property law, probate law, collections, appeals, landlord-tenant law, veteran's benefits, and civil protection orders.

The volunteer attorneys do not represent you just because they help you at this clinic. This clinic is information only, and is no substitute for legal representation. You have the right to retain an attorney of your choice at any time, and are advised to do so.

If possible, patrons are encouraged to have their desktop, laptop, or tablet available during the call.
