

**2024 Legislative Session Wrap Up**  
Bills Prime Sponsored By Representative Mary Young

**Public & Behavioral Health:**

**[HB24-1003: Opiate Antagonists & Detection Products in Schools](#)**

***Sponsors: Representatives McLachlan and Young & Senators Simpson and Michaelson Jenet***

This bill encourages Colorado school districts to implement a policy that provides access to and education about administering opiate antagonists and testing strips in school environments and at school-sanctioned events. Students were a driving force with this bill and assisted us in creating a policy that reflects the needs of students in schools across the state.

**[HB24-1115: Prescription Drug Label Accessibility](#)**

***Sponsors: Representatives Young and Joseph & Senator Fenberg***

The bill mandates pharmacies to offer accessible prescription drug label information to individuals with visual impairments through electronic labels, prescription drug readers, braille or large print labels, or other recommended methods, within 28 days of request, while establishing a grant program to assist pharmacies in acquiring equipment for creating accessible labels and requiring them to inform the public of this service.

**[SB24-047: Prevention of Substance Use Disorders](#)**

***Sponsors: Senators Jaquez Lewis and Priola & Representatives Young and Epps***

Several measures regarding the prevention of substance use disorders are created within this bill. The Prescription Drug Monitoring Program (PDMP) will be modified and procedures for local drug overdose fatality review teams will be established to ensure public health.

**[SB24-115: Mental Health Professionals Practice Requirements](#)**

***Sponsors: Senators Michaelson Jenet and Smallwood & Representatives Young and Sirota***

The bill streamlines the process for mental health professionals by removing certain requirements, such as the need for an explanation of regulatory levels, eliminating the masters examination for licensed social worker licenses, and introducing a Colorado jurisprudence examination for various candidate registrations. Additionally, it allows candidates to renew their registrations if unable to complete licensure requirements within the designated timeframe and mandates rule-making to align rules with practice acts by December 31, 2024, for relevant state boards.

**[SB24-121: Licensure of Critical Access Hospitals](#)**

***Sponsors: Senators Pelton and Roberts & Representatives Young and Holtorf***

The bill separating critical access hospitals from the general hospital licensure process will create an easier pathway for Colorado's 32 critical access hospitals to obtain licensure. This will ease financial burdens and remove unnecessary steps in improving the existing critical access hospital.

### **HB24-1471: Electroconvulsive Therapy for Minors**

***Sponsors: Representatives Young and Bradfield & Senator Michaelson Jenet***

The bill permits electroconvulsive treatment (ECT) for minors under 16 years old only if two licensed psychiatrists approve, other treatments have failed, ECT is necessary for life-threatening conditions, administered by a qualified physician, and consented to by the minor's parent or guardian.

### **SB24-227: Automated External Defibrillators in Public Schools**

***Sponsors: Senators Bridges and Pelton & Representatives Young and Bradley***

The bill removes the authorization for public schools to refuse donated automated external defibrillators (AEDs) based on responsibility concerns regarding training, installation, or maintenance, but allows schools to determine the training procedures, frequency, and timing for AED use.

### **Education:**

### **HB24-1063: Addressing Abbreviated School Days**

***Sponsors: Representatives Young and Garcia & Senator Kolker***

As defined by this bill, an abbreviated school day is “any school day in which a student with disabilities receives instruction for fewer hours than the majority of students in the same grade and school district”. The Colorado Department of Education is also required to create and implement a policy that includes this newly set definition of an ASD, documentation requirements and recordkeeping, provided information for parental consent, how students with disabilities can participate in school-sanctioned events, and a regular review process to determine ASD schedules.

### **HB24-1096: School Psychologist Licensure Interstate Compact**

***Sponsors: Representatives Young and Lukens & Senators Kolker and Marchman***

Before participating in the compact, a state must require school psychologists to obtain the national requirement of supervision hours and a degree from an accredited school psychologist program. Once in the compact, obtaining licensure across member-state lines will be an easier process for school psychologists.

### **HB24-1231: State Funding for Higher Education Projects**

***Sponsors: Representatives Young and Daugherty & Senators Kirkmeyer and Mullica***

This bill provides funding for capital construction projects related to healthcare education executed through a lease-purchase agreement will begin payments in the fiscal year 2027/28 to be used for the following additions to higher education:

- College of Osteopathic Medicine at the University of Northern Colorado;
- Health Institute Tower at Metropolitan State University of Denver;
- Veterinary Health Education Complex at Colorado State University; and
- The renovation of the Valley Campus Main Building at Trinidad State College.

### **SB24-069: Clarify Individualized Education Program Information**

***Sponsors: Senators Kolker and Kirkmeyer & Representatives Young and Garcia***

In collaboration with stakeholders, the CDE is required to create a training program that outlines the federal and state procedures and laws related to individualized education programs in an easily understood format. Materials and resources must be provided as well making the training accessible to all intending to participate.

**Saving Money for Coloradoans:**

**[SB24-111: Senior Property Tax Exemption Portability Bill](#)**

***Sponsors: Senators Kolker and Hansen & Representatives Lieder and Young***

The bill establishes a new subclass of residential real property, termed qualified-senior primary residence real property, for property tax years starting January 1, 2025, allowing certain owner-occupiers meeting specific criteria to apply for reduced property tax valuation, while also providing reimbursement to local governments for any resulting revenue loss.

**[HB24-1084: Repeal & Reenact Earned Income Tax Credit Increase](#)**

***Sponsors: Representatives Willford and Young & Senators Kolker and Fields***

This bill repeals and reenacts House Bill 23B-1002, which increased the state earned income tax credit to 50% of the federal credit, aiming to resolve uncertainty resulting from litigation regarding the bill's compliance with state constitutional requirements.

**Human Services:**

**[HB24-1038: High-Acuity Crisis for Children & Youth](#)**

***Sponsors: Representatives Young and Bradley & Senators Kirkmeyer and Fields***

The bill mandates the development of a comprehensive system of care for children and youth with complex behavioral health needs, including standardized assessment tools, intensive care coordination, expanded supportive services, and access to treatment foster care. It establishes a residential child care provider training academy to ensure staff receive necessary training and sets quality standards for residential child care providers, incentivizing providers to exceed minimum standards. Additionally, it extends and enhances programs providing emergency resources to licensed providers, increases minimum reimbursement rates for residential treatment programs, and conducts analyses to determine appropriate Medicaid reimbursement rates for psychiatric facilities, while also implementing a pilot program for short-term residential services for juvenile justice-involved youth.

**[HB24-1377: CASA Volunteers Working with Foster Youth](#)**

***Sponsors: Representatives Mabrey and Young & Senator Cutter***

The bill allows court-appointed special advocate (CASA) volunteers to assist foster youth in transition by attaching to, staying attached to, or being reattached to their cases, with the youth's consent. CASA volunteers in such cases support the youth in planning for their future and accessing necessary services, but they are prohibited from making best interest recommendations to the court or accessing confidential information without the youth's express consent.

### **[SB24-008: Kinship Foster Care Homes](#)**

***Sponsors: Senators Zenzinger and Kirkmeyer & Representatives Pugliese and Young***

This bill allows non-kinship foster care homes to obtain certification which details the eligibility requirements for financial assistance. This bill asks the CDHS to collect data on the number of children placed with kin and work with other state departments to guide the kinship certification process.

### **Supporting Older Coloradans:**

### **[SB24-040: State Funding for Seniors](#)**

***Sponsors: Senators Danielson and Ginal & Representatives Willford and Young***

The bill mandates a triennial review, starting by August 2024, conducted by the Department of Human Services, the Office of State Planning and Budgeting, and representatives from area agencies on aging, to assess the sufficiency of appropriations for senior services over the preceding three fiscal years as per the "Older Coloradans' Act", with findings to be reported to the General Assembly.

### **Regulatory & Infrastructure:**

### **[SB24-080: Transparency in Health Care Coverage](#)**

***Sponsors: Senators Fields and Jaquez Lewis & Representative Young***

The bill mandates health insurance carriers to adhere to federal price transparency laws and offer an internet-based self-service tool for covered individuals to access real-time cost-sharing information, while also requiring carriers to submit necessary data to the insurance commissioner as per federal pharmacy benefit and drug cost reporting laws; non-compliance constitutes unfair insurance practices.

### **[HB24-1276: Sunset Process Commission for Deaf, Hard of Hearing, and Deafblind](#)**

***Sponsors: Representatives Young and Bradfield & Senators Zenzinger and Lundeen***

The bill implements recommendations from the Department of Regulatory Agencies' 2023 sunset review and report on the Colorado Commission for the Deaf, Hard of Hearing, and Deafblind by extending the commission's existence for 7 years until 2031, establishing a permanent state auxiliary services program, and renaming the Deafblind Citizens Council to the Deafblind Advisory Council.

### **[HB24-1332: Sunset Continue Colorado Department of Early Childhood Executive Director Rule-Making](#)**

***Sponsors: Representatives Young and Sirota & Senators Buckner and Michaelson Jenet***

The bill implements the Department of Regulatory Agencies' recommendation from its 2023 sunset review and report regarding the rule-making authority of the Executive Director of the Department of Early Childhood by extending the executive director's rule-making authority for 7 years until September 1, 2031.
